PROFILE

Graphic designer focused on posters, advertising campaigns and brand identity. I hold a diploma in Graphics and Communication and a Bachelor's in Product Design, did design internships in Cork and Brussels, and designed a freelance street campaign for CON TEMPO Festival. After four years in aviation and a season in hospitality, I'm returning to design full time, bringing precision, calm under deadlines and years of work in international teams.

DESIGN EXPERIENCE

CON TEMPO Festival / Freelance graphic designer — 2019

Street campaign for the festival's fifth edition, from concept to print: poster, billboard and street banners hung across the city. My first paid commission.

EazyCity / Graphic design intern — 2017 – 2018 · CORK, IRELAND

Redesigned the company's brand identity and visuals. They are still in use today.

ZN Consulting / Graphic design intern — 2017 – 2018 · BRUSSELS, BELGIUM

Short internship in the studio: supported the art director on production for the EPP Congress 2018 identity and took part in weekly creative meetings.
